

Probability of magnetization for  $T = 1.00$

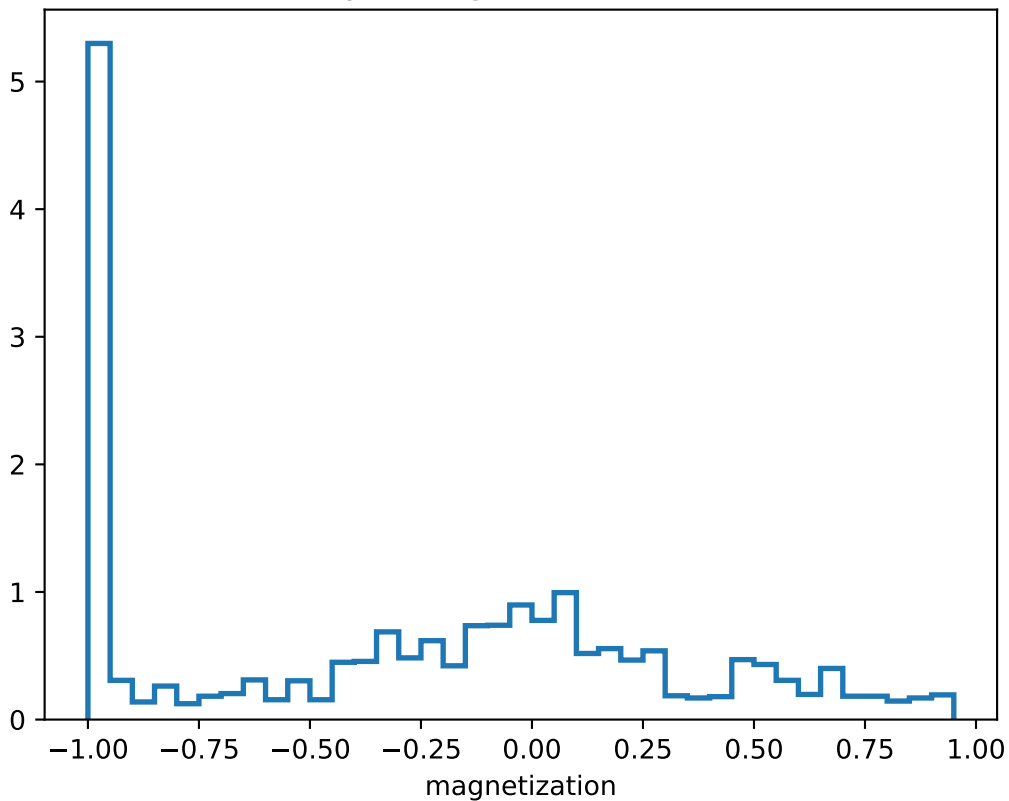

Probability of magnetization for  $T = 1.06$

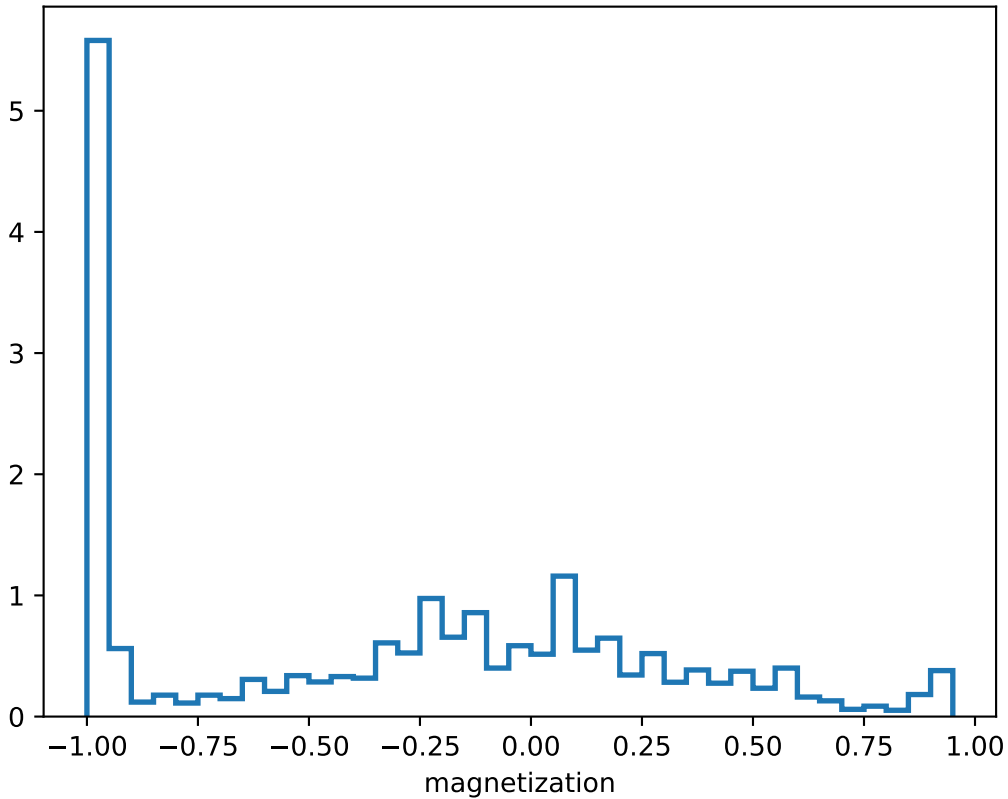

Probability of magnetization for  $T = 1.13$

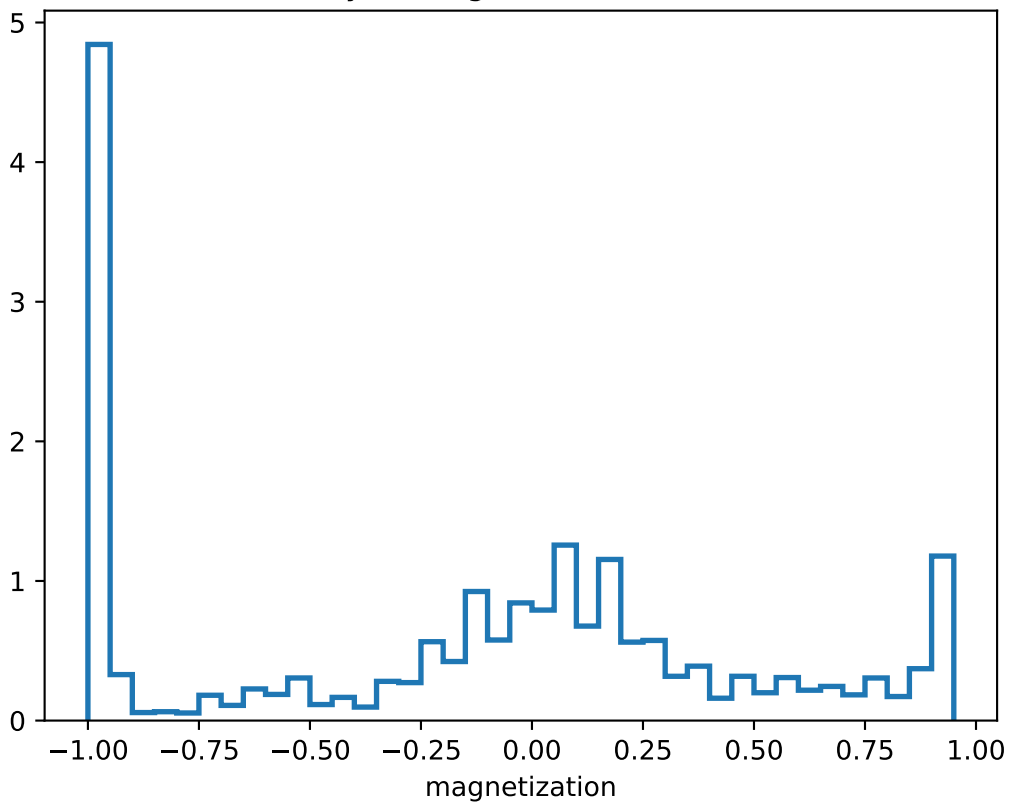

Probability of magnetization for  $T = 1.19$

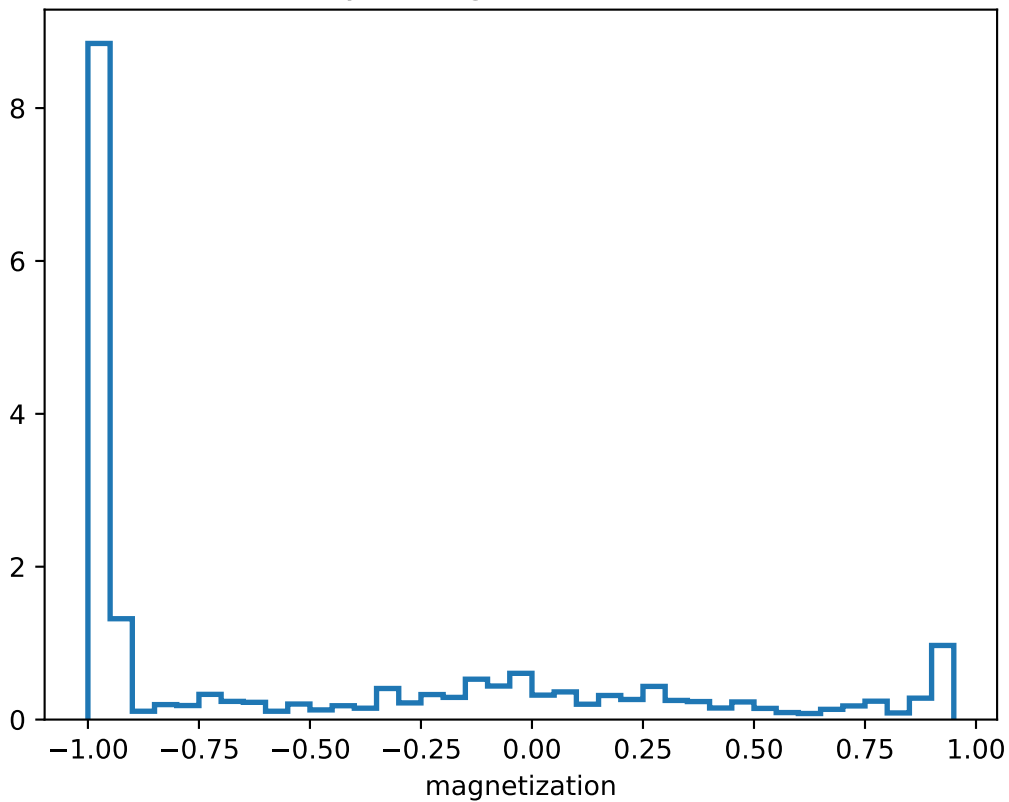

Probability of magnetization for  $T = 1.26$

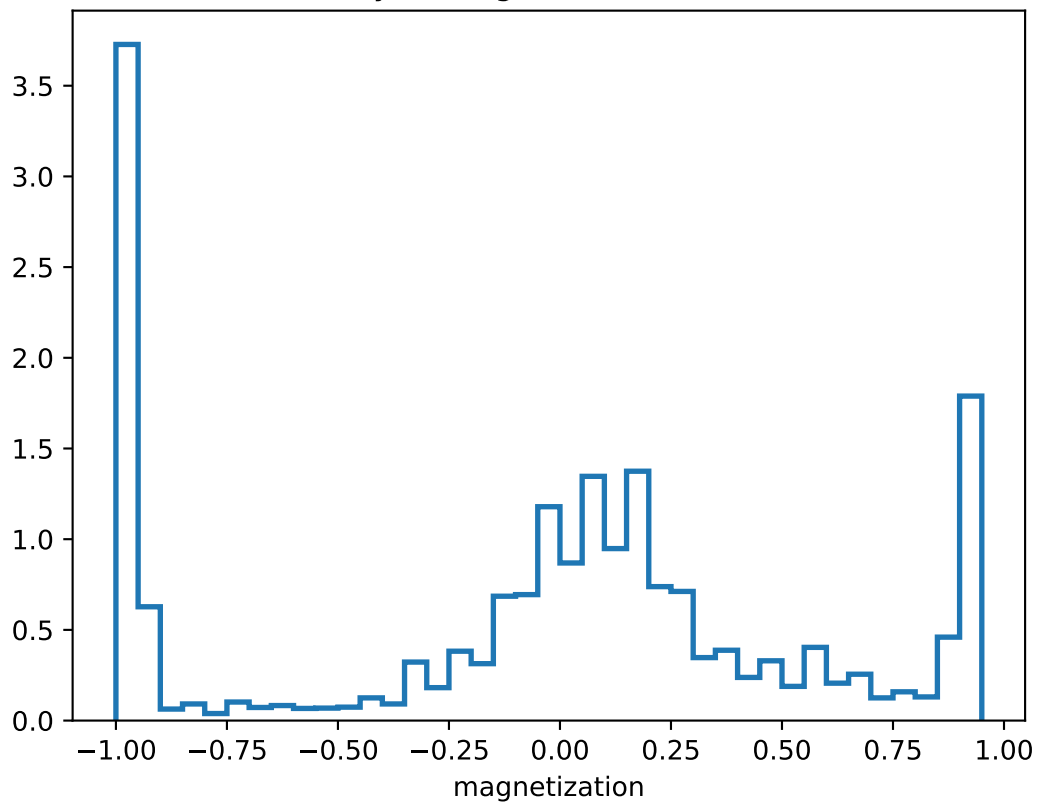

Probability of magnetization for  $T = 1.32$

Probability of magnetization for  $T = 1.38$

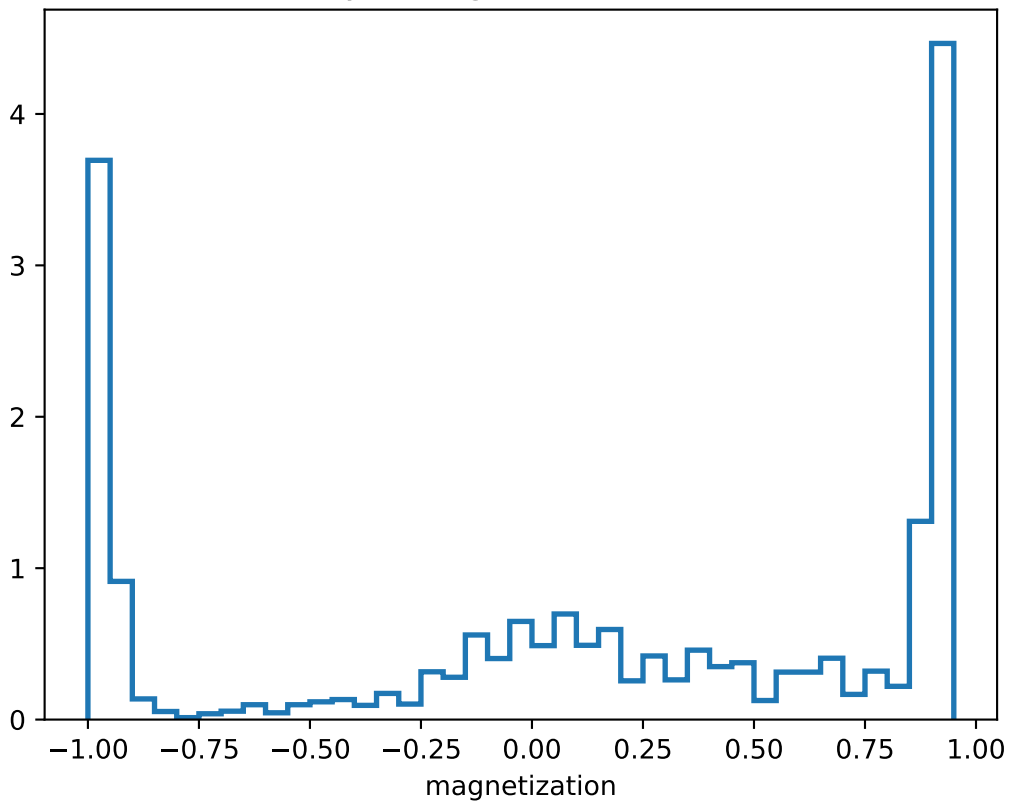

Probability of magnetization for  $T = 1.45$

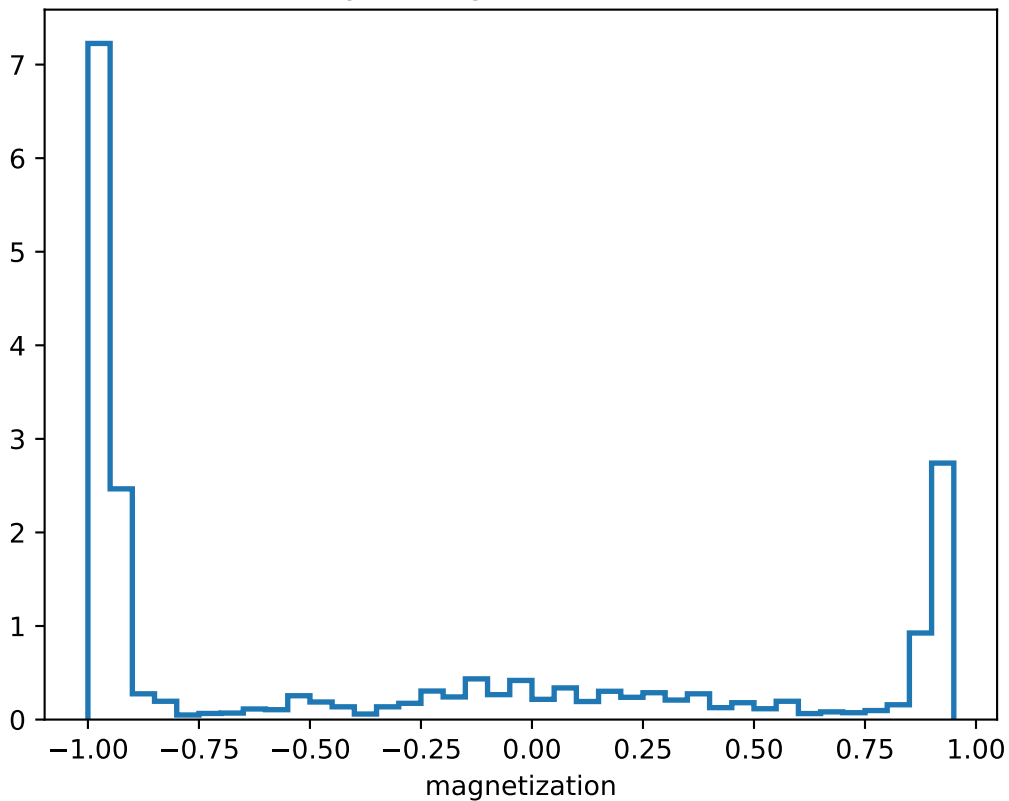

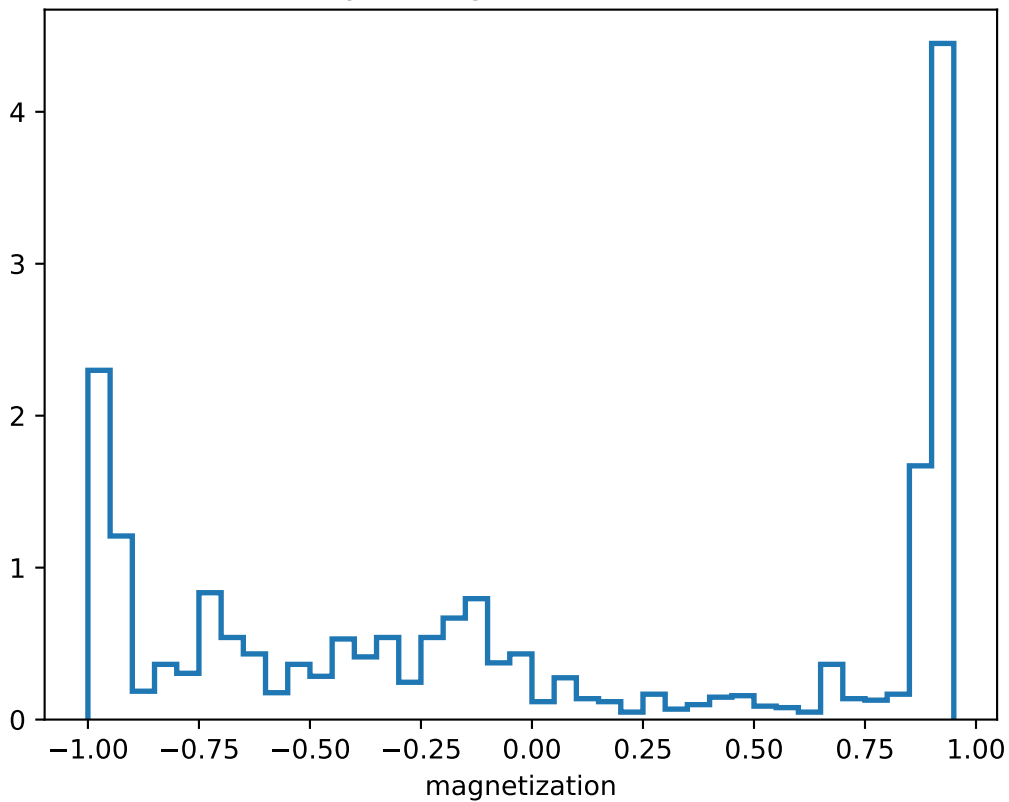

Probability of magnetization for  $T = 1.51$

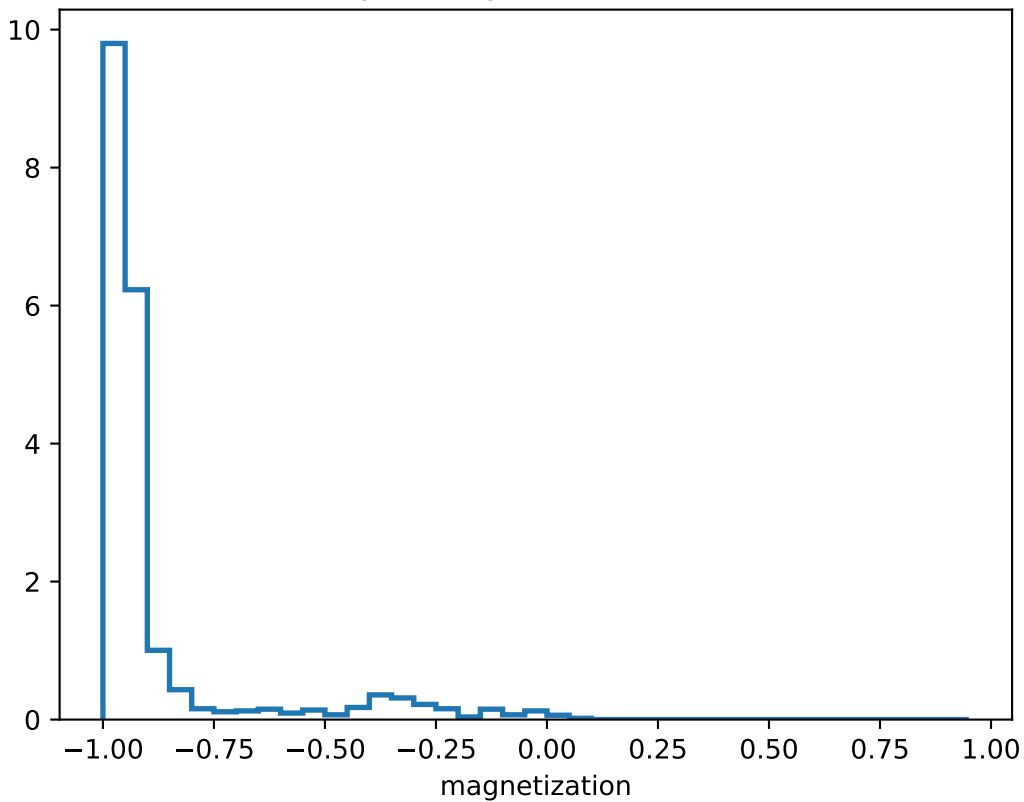

Probability of magnetization for  $T = 1.58$

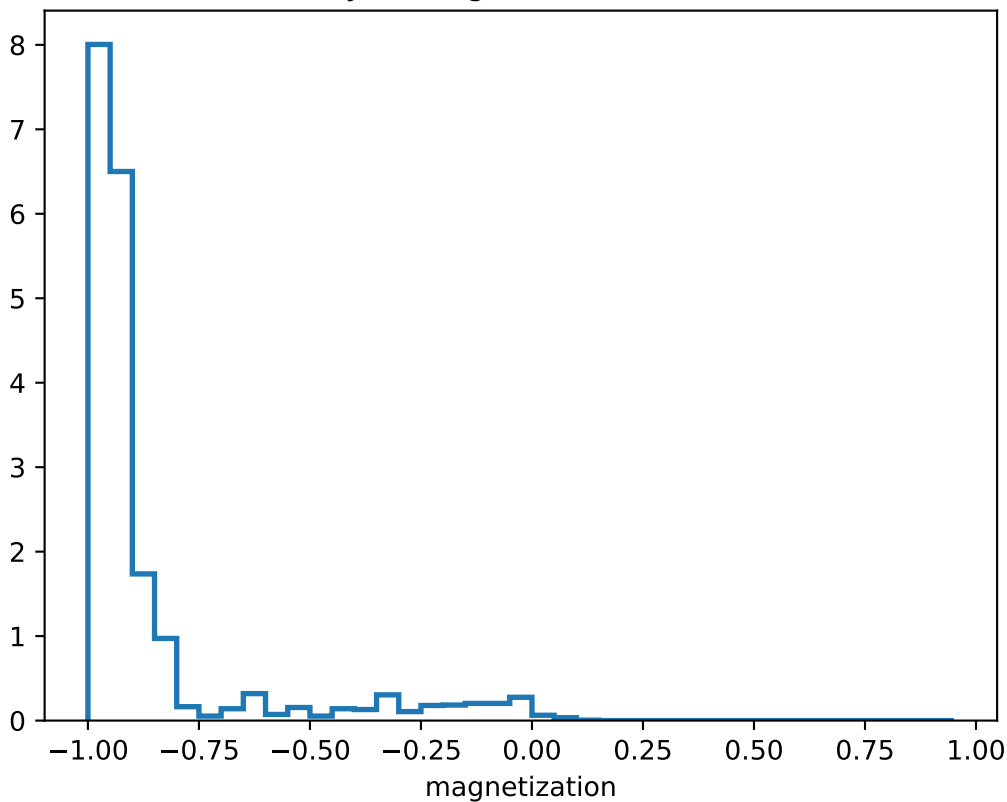

Probability of magnetization for  $T = 1.64$

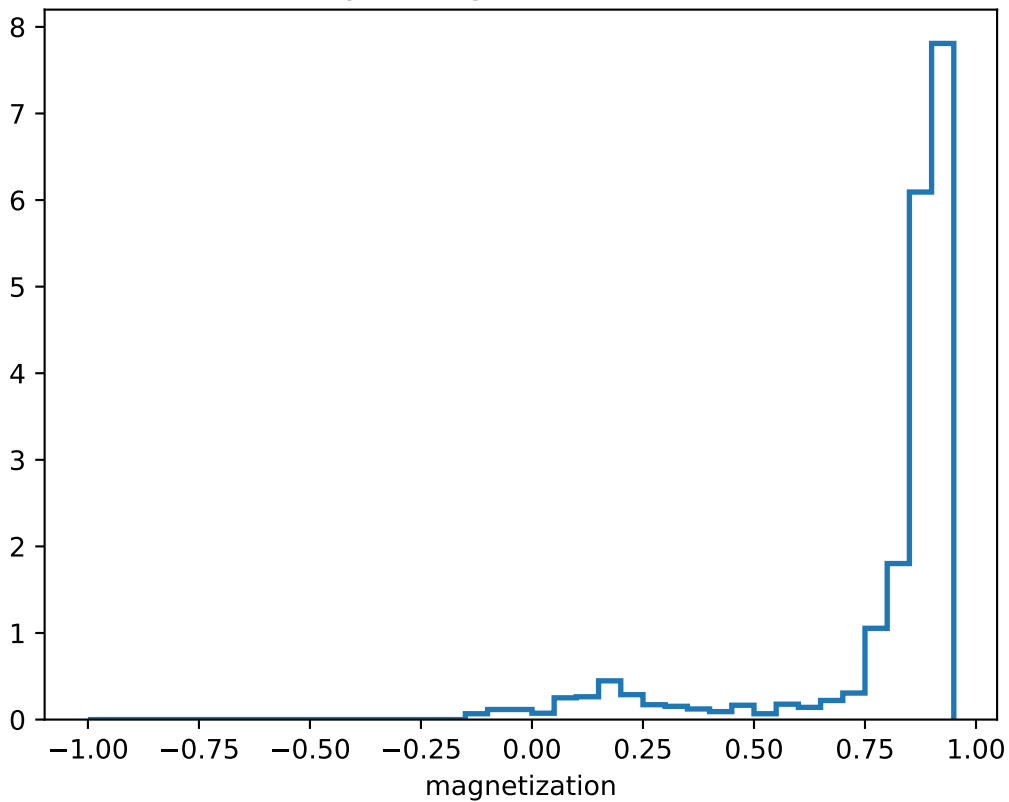

Probability of magnetization for  $T = 1.71$

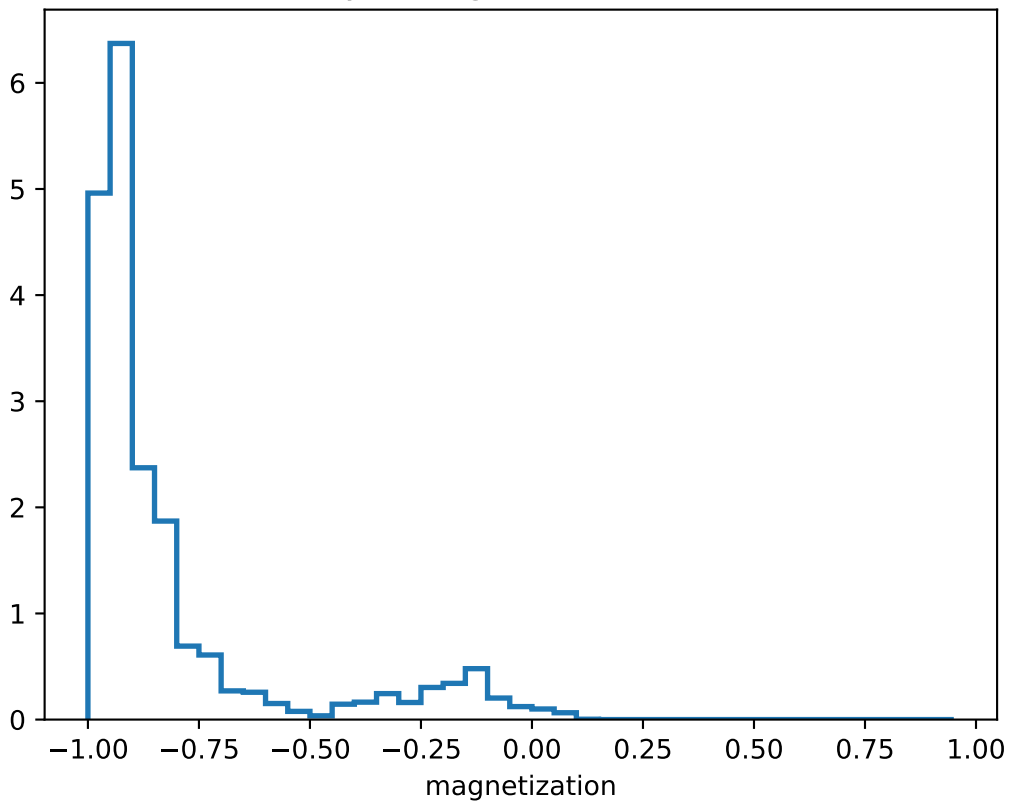

Probability of magnetization for  $T = 1.77$

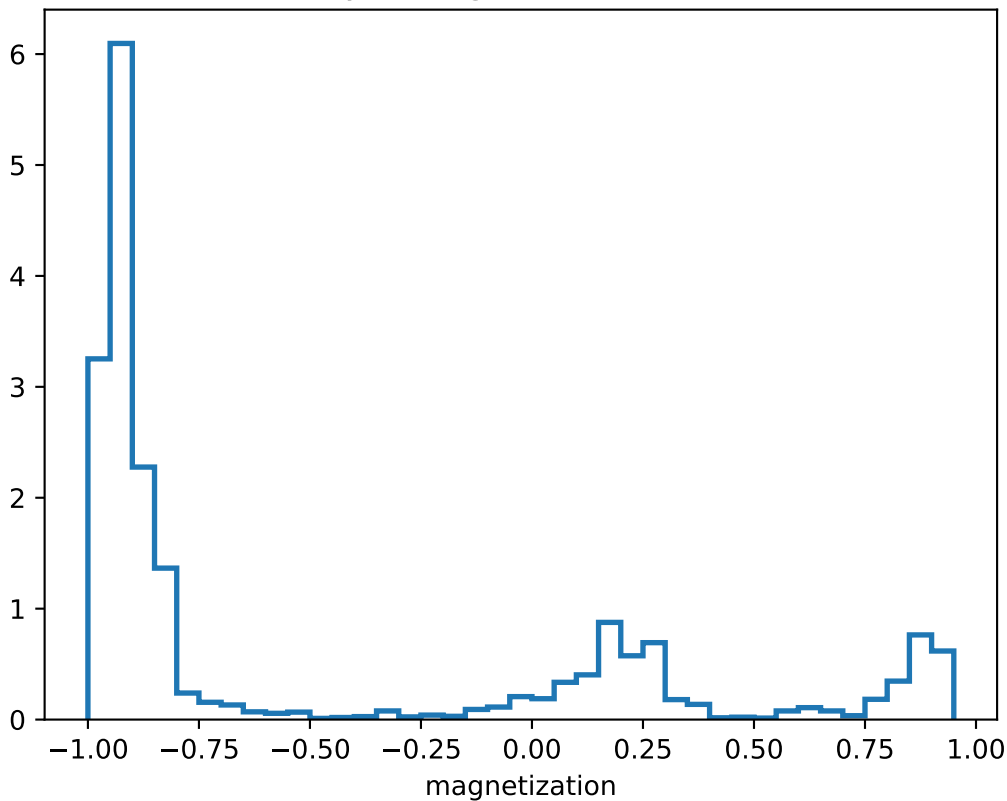

Probability of magnetization for  $T = 1.83$

Probability of magnetization for  $T = 1.90$

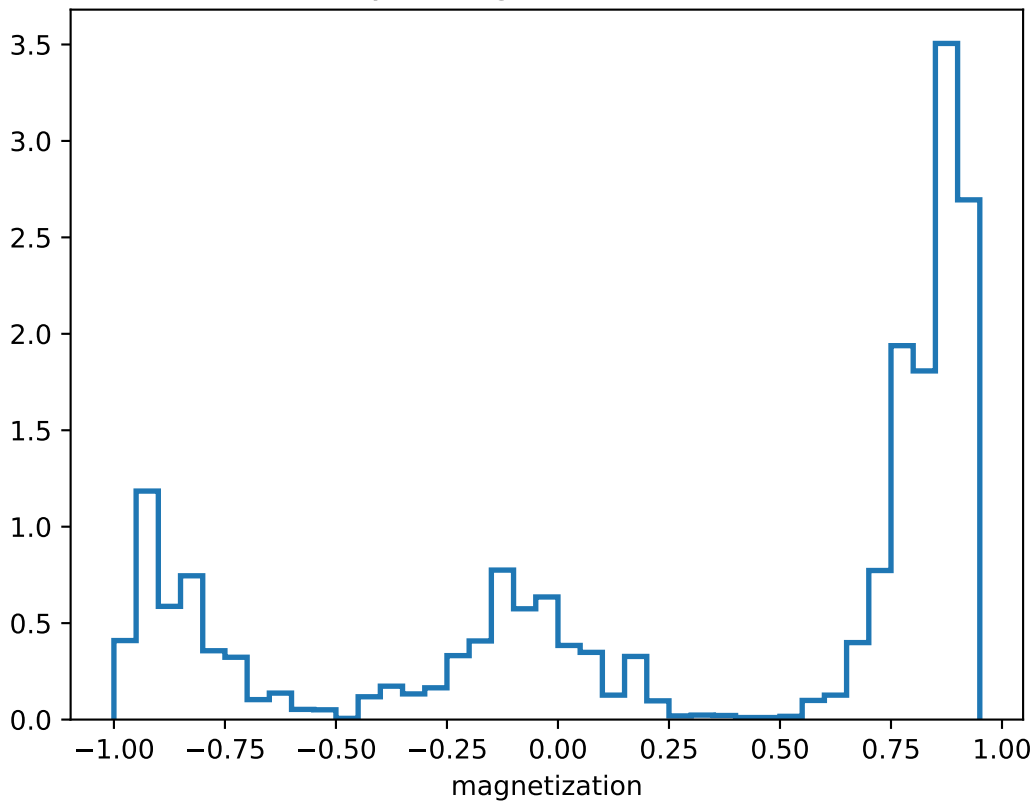

Probability of magnetization for  $T = 1.96$

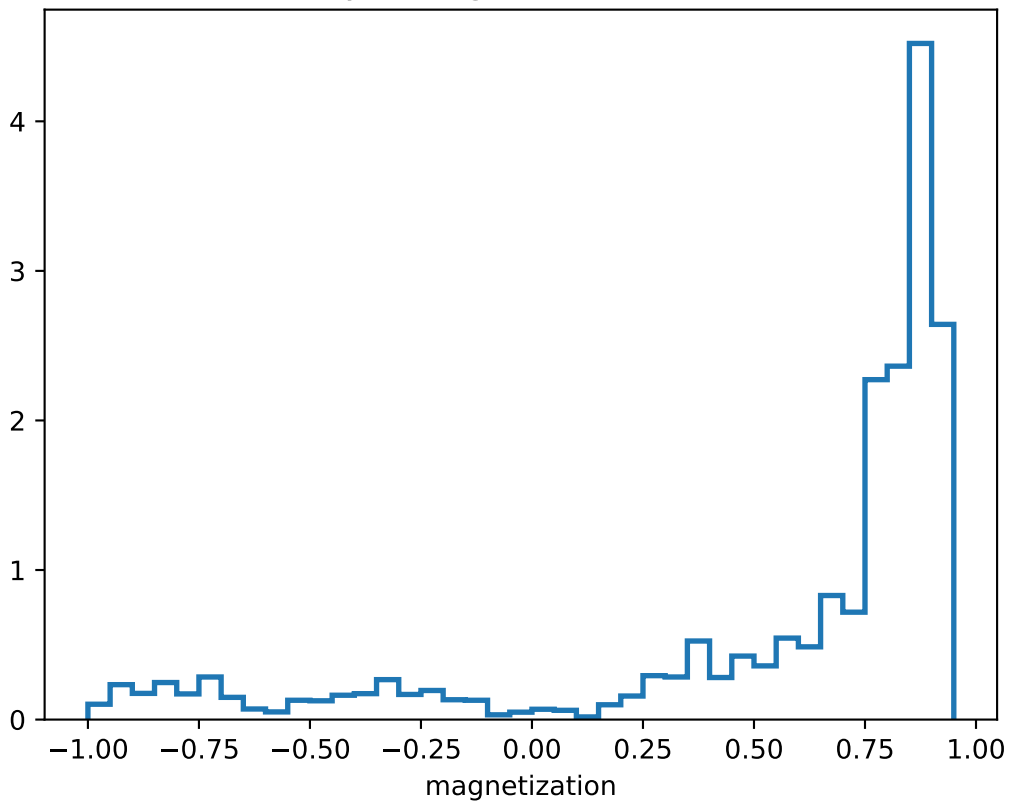

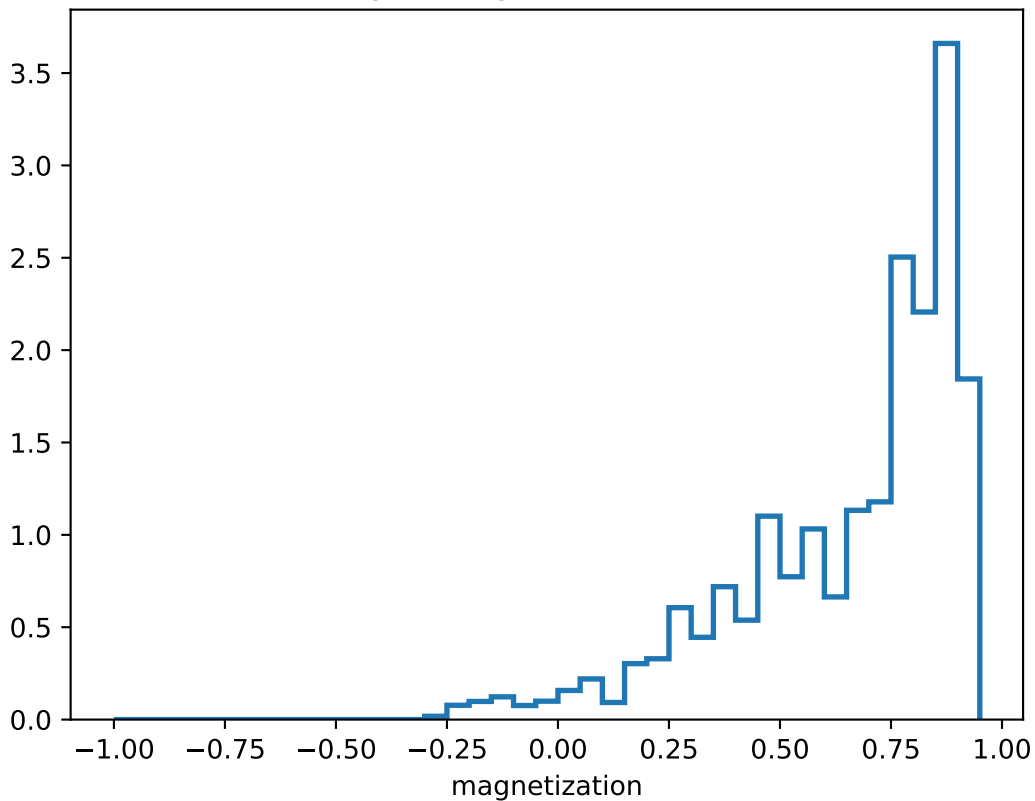

Probability of magnetization for  $T = 2.03$

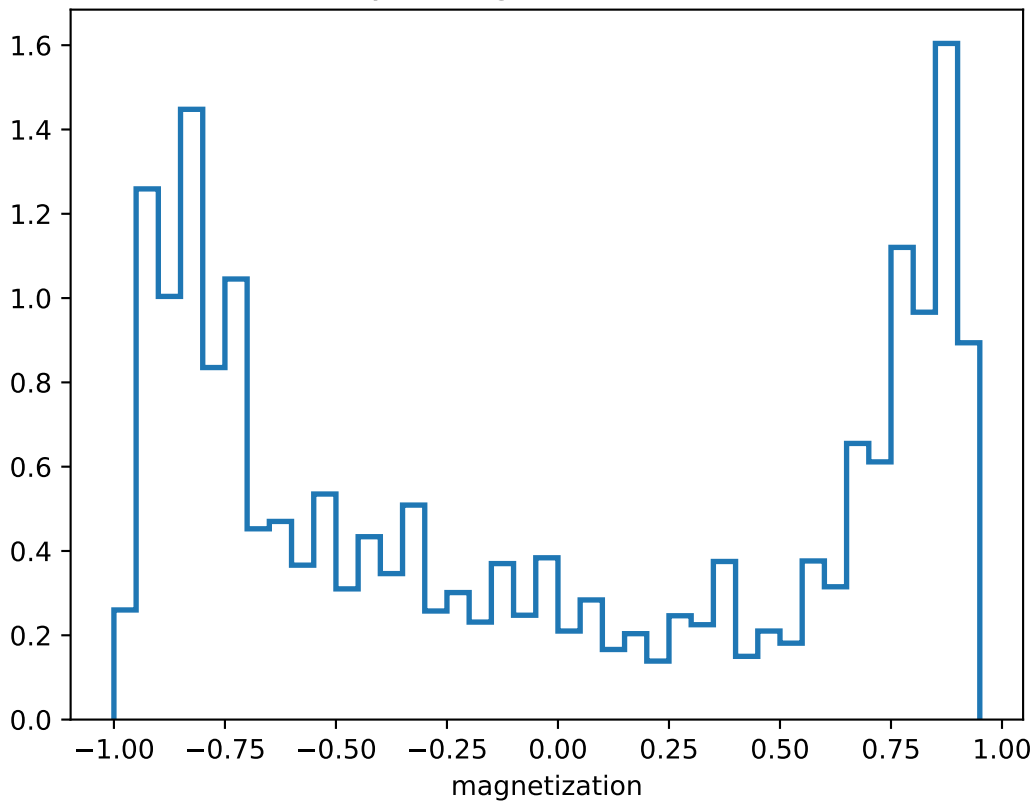

Probability of magnetization for  $T = 2.09$

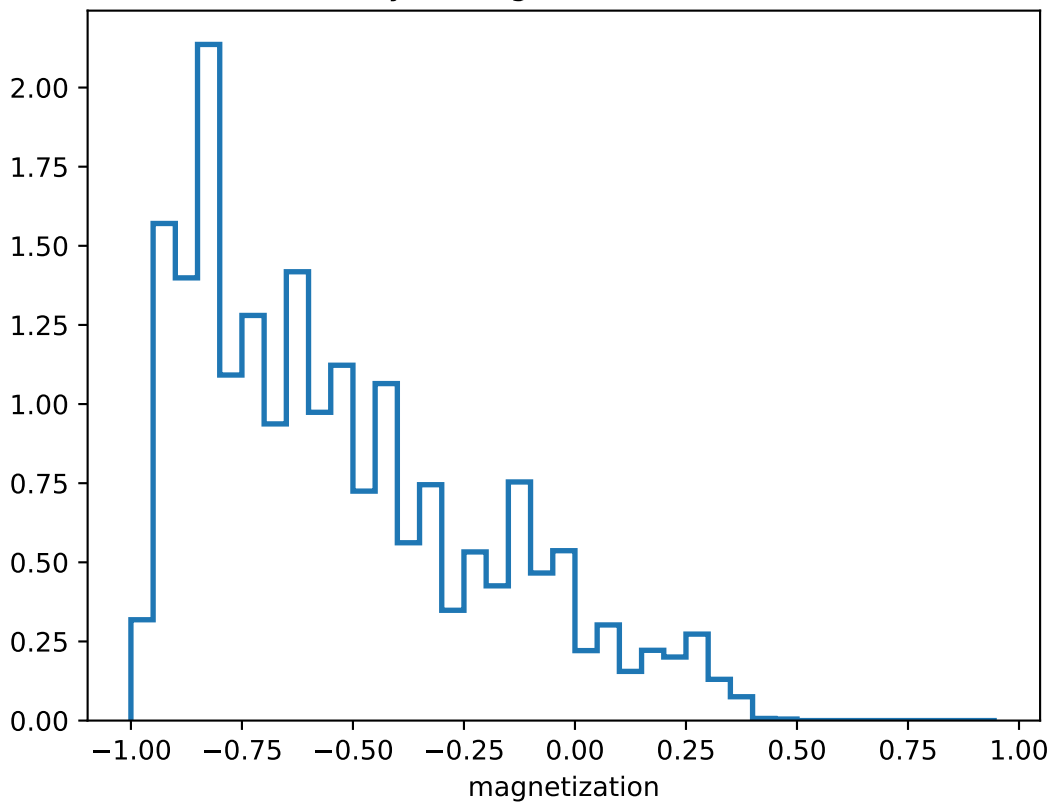

Probability of magnetization for  $T = 2.15$

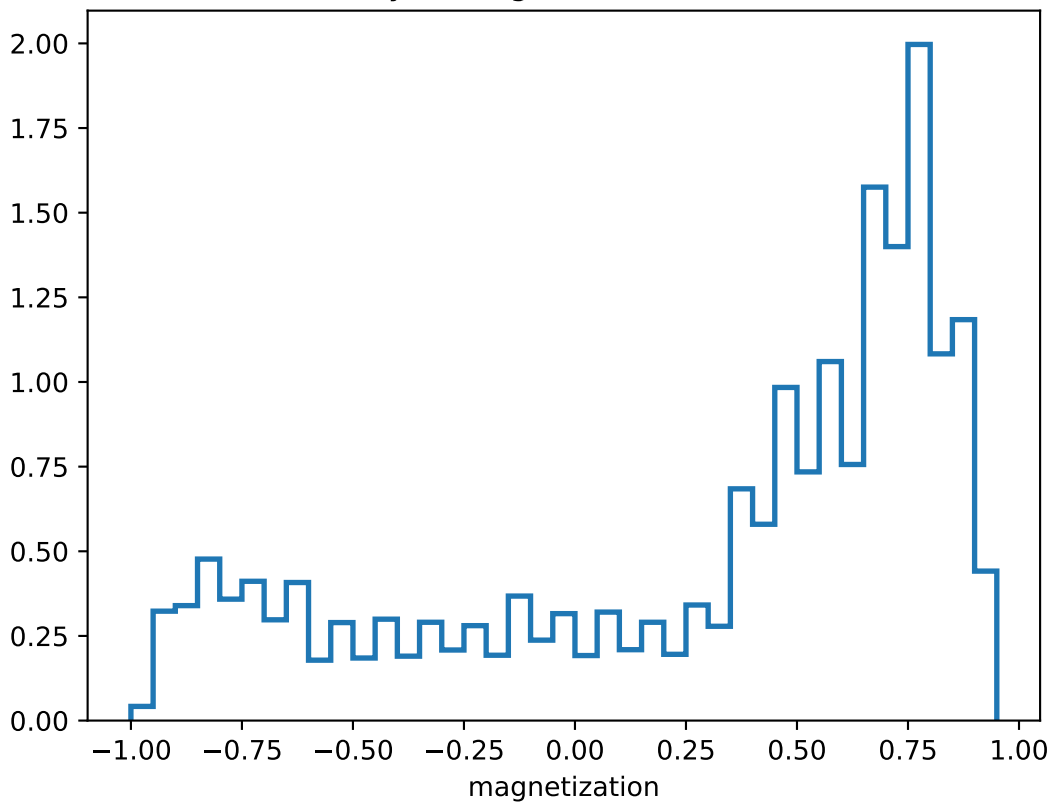

Probability of magnetization for  $T = 2.22$

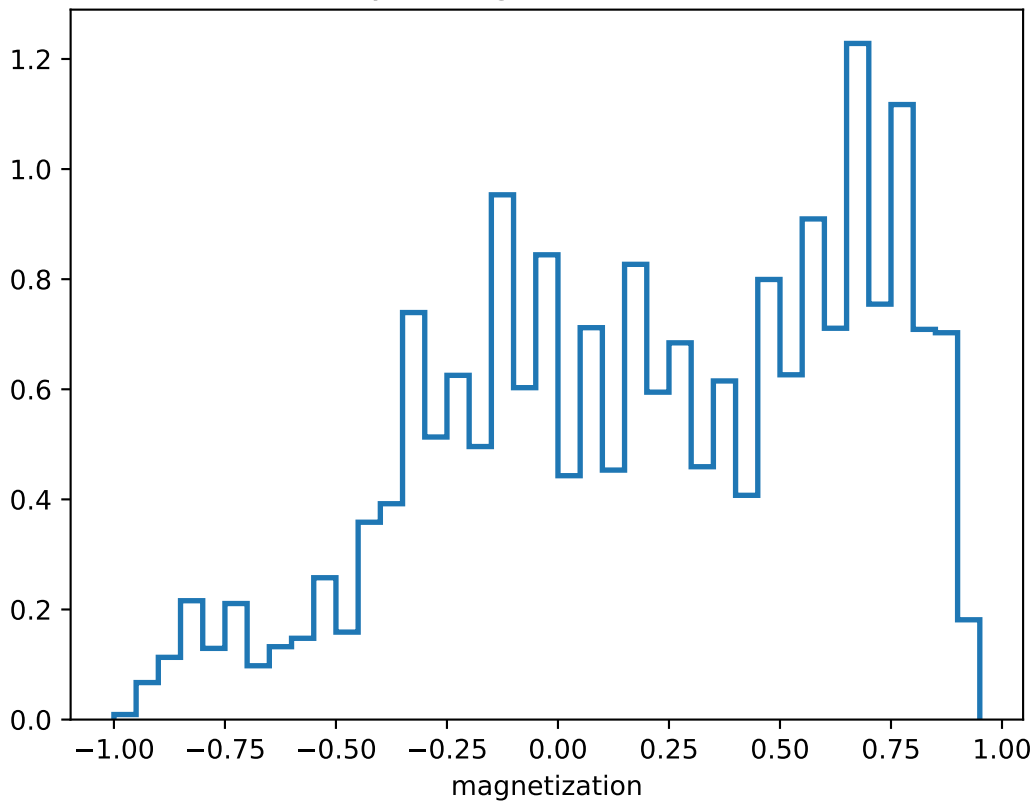

Probability of magnetization for  $T = 2.28$

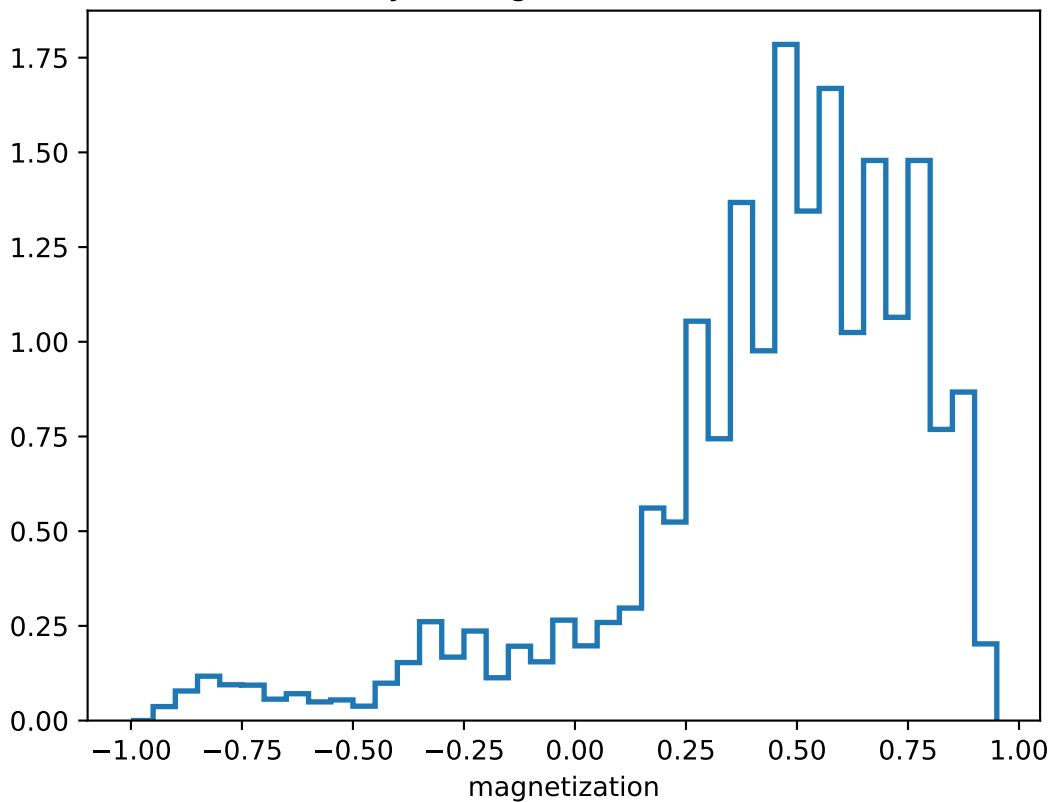

Probability of magnetization for  $T = 2.35$

Probability of magnetization for  $T = 2.41$

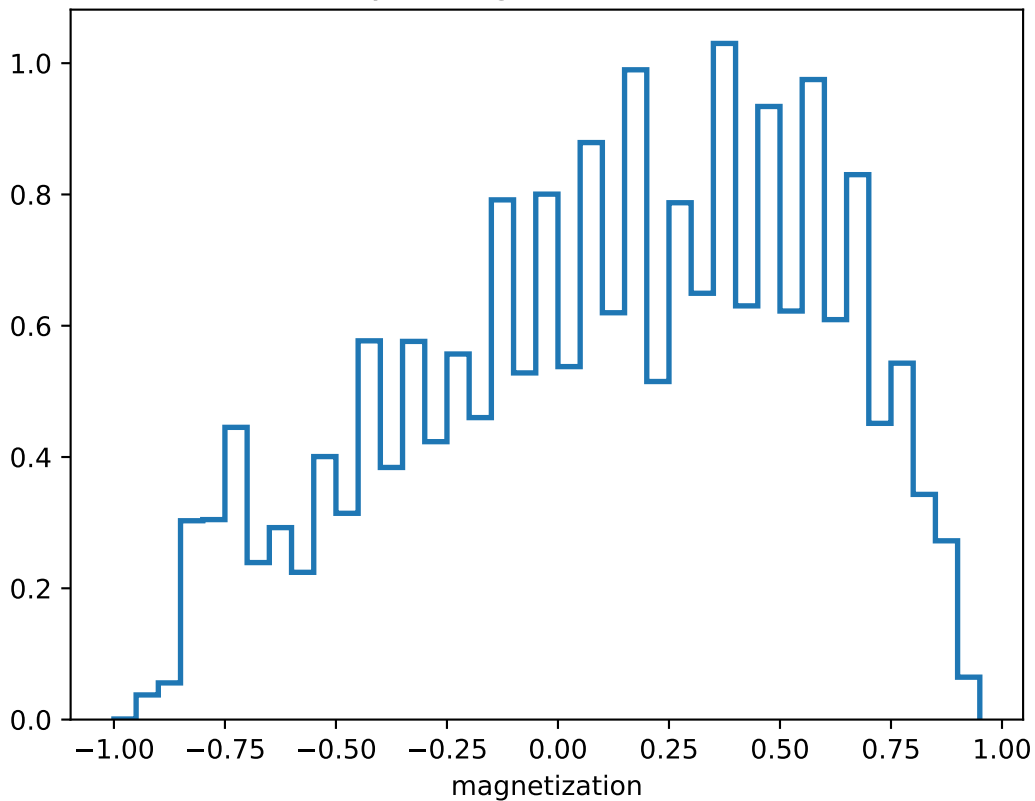

Probability of magnetization for  $T = 2.47$

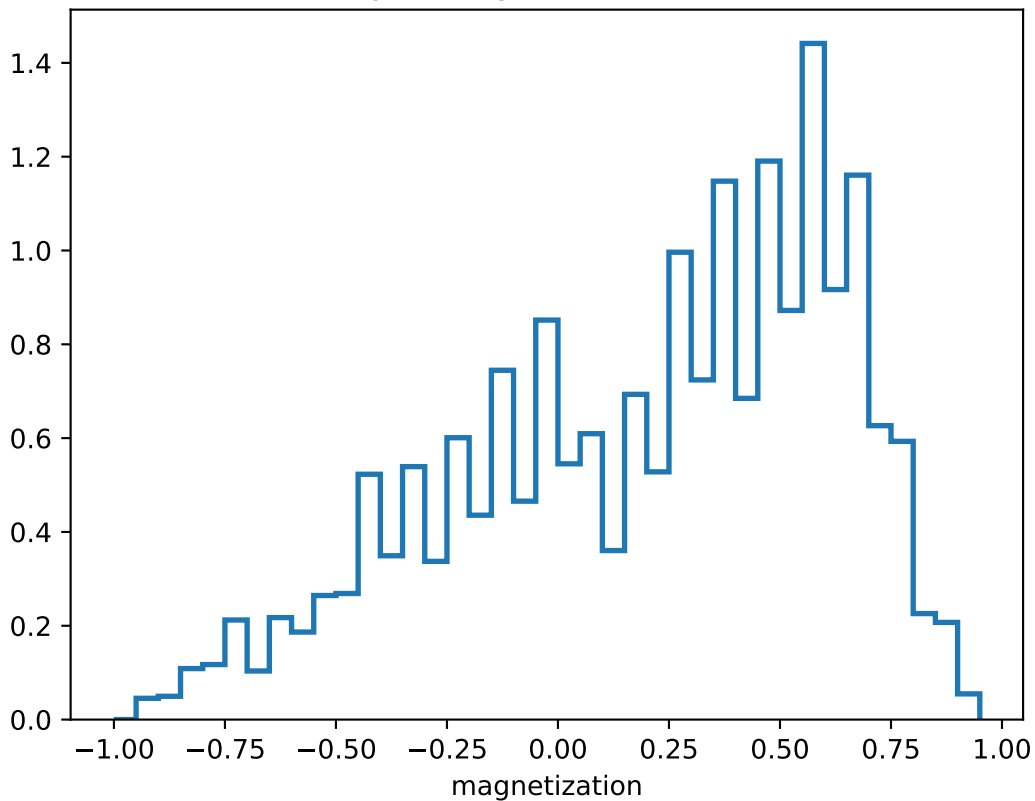

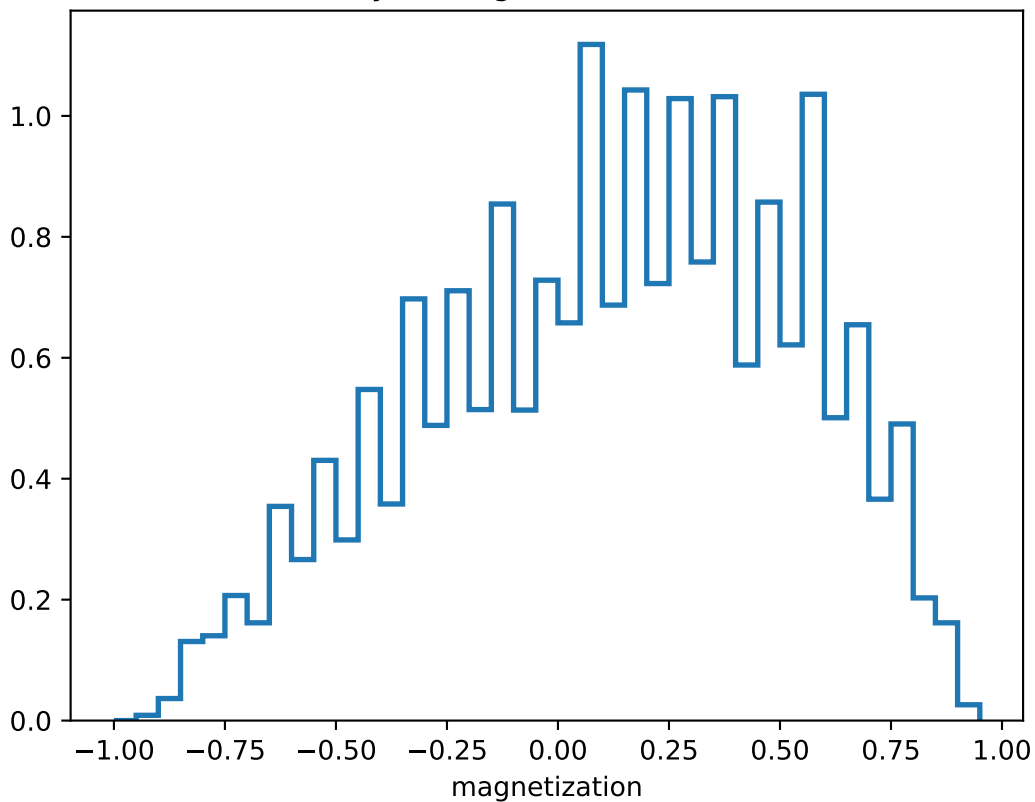

Probability of magnetization for  $T = 2.54$

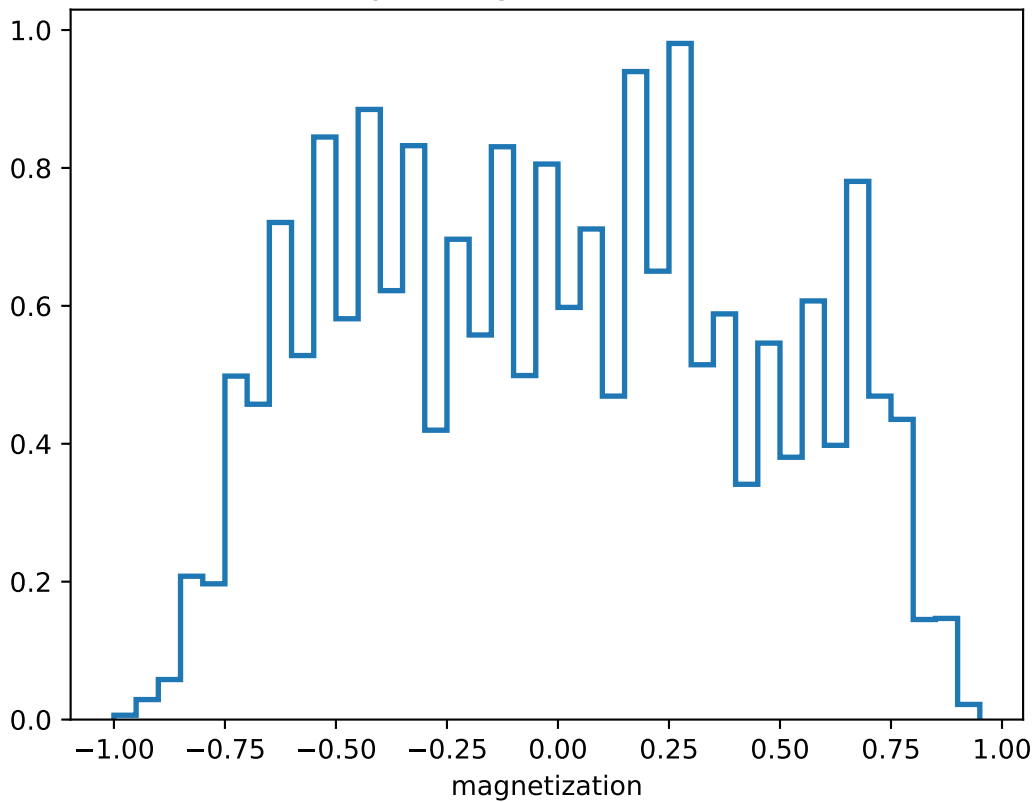

Probability of magnetization for  $T = 2.60$

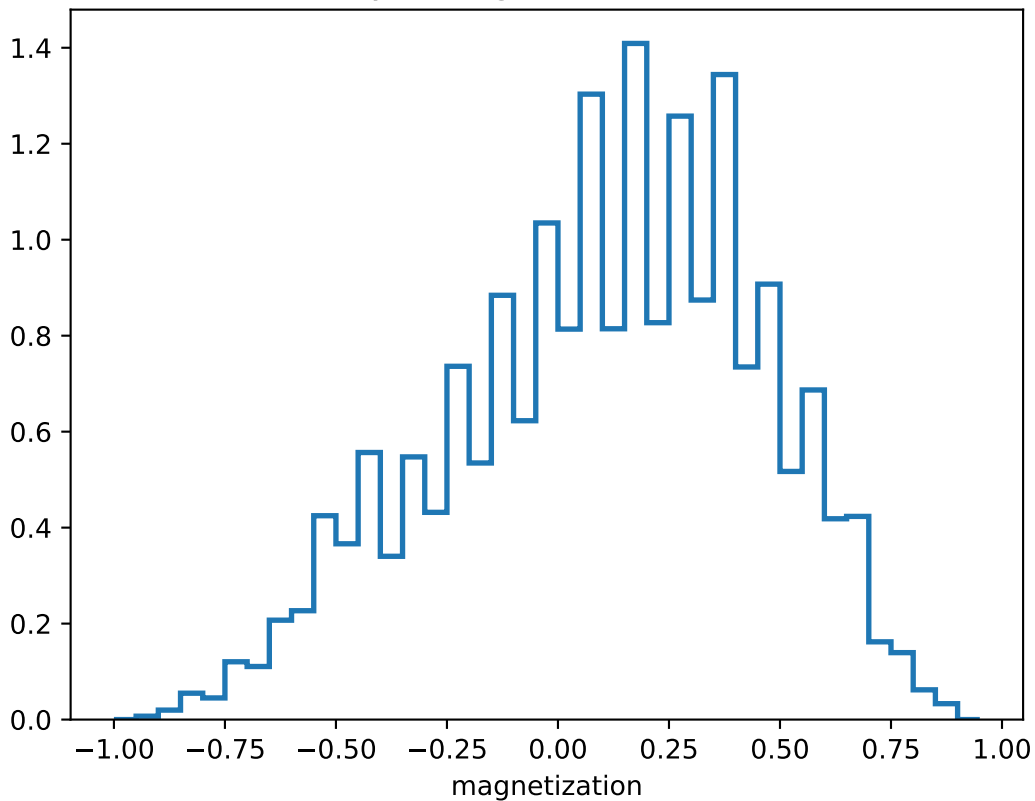

Probability of magnetization for  $T = 2.67$

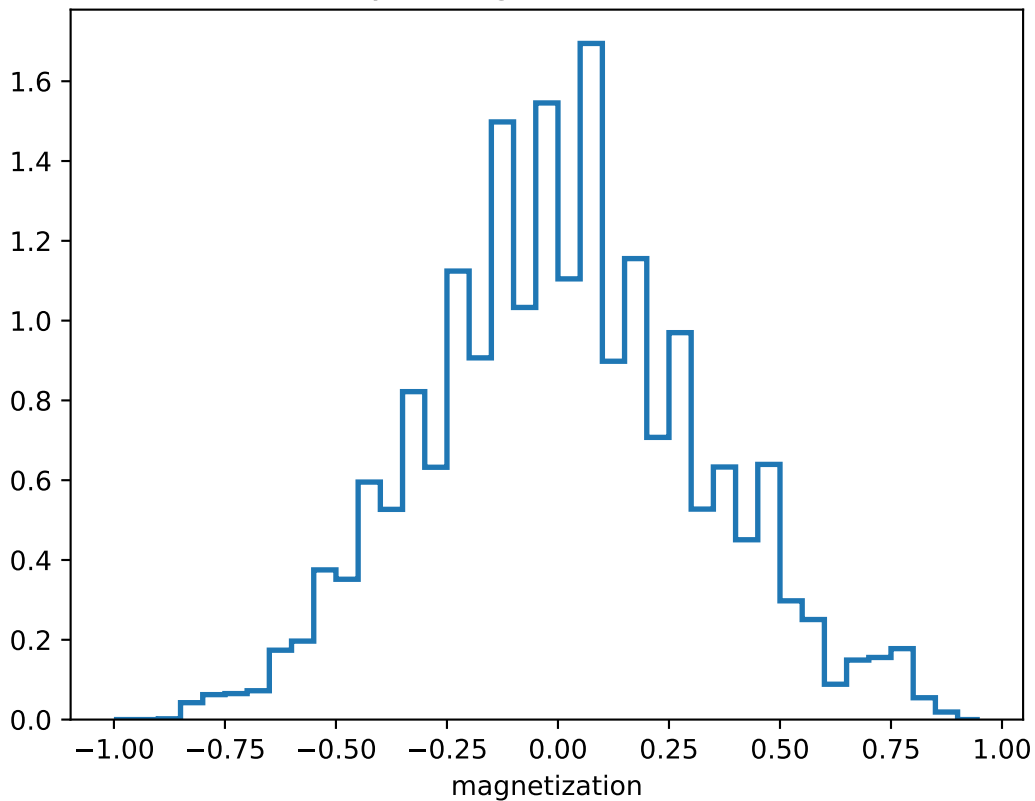

Probability of magnetization for  $T = 2.73$

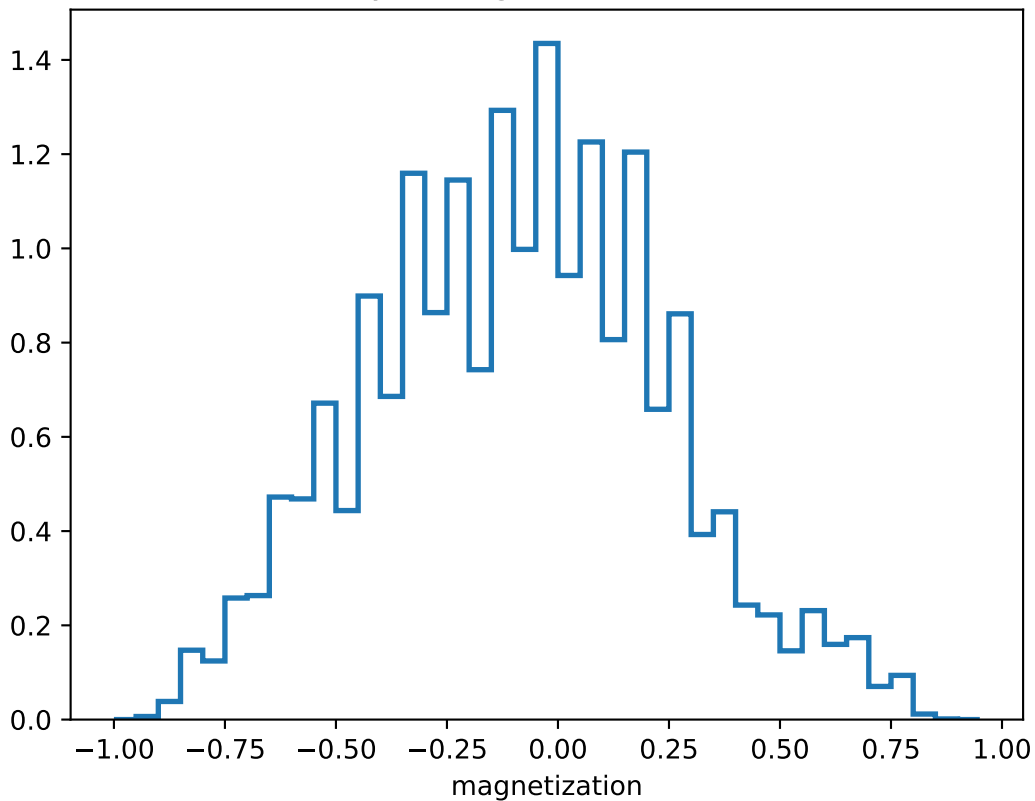

Probability of magnetization for  $T = 2.79$

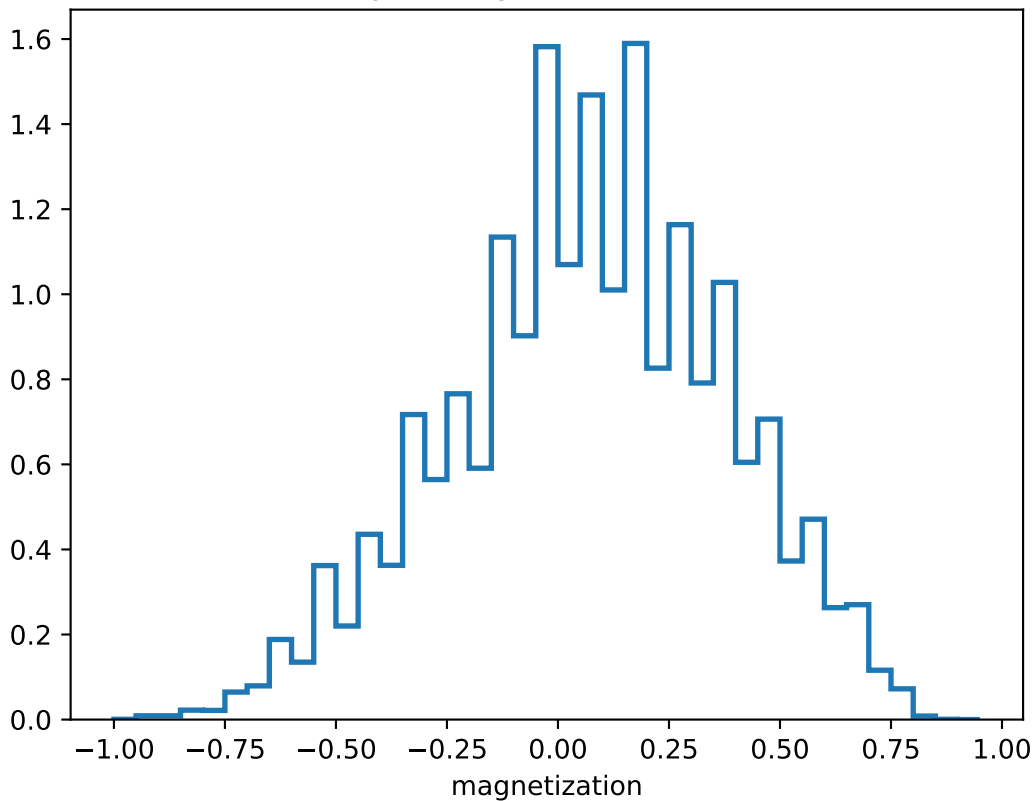

Probability of magnetization for  $T = 2.86$

Probability of magnetization for  $T = 2.92$

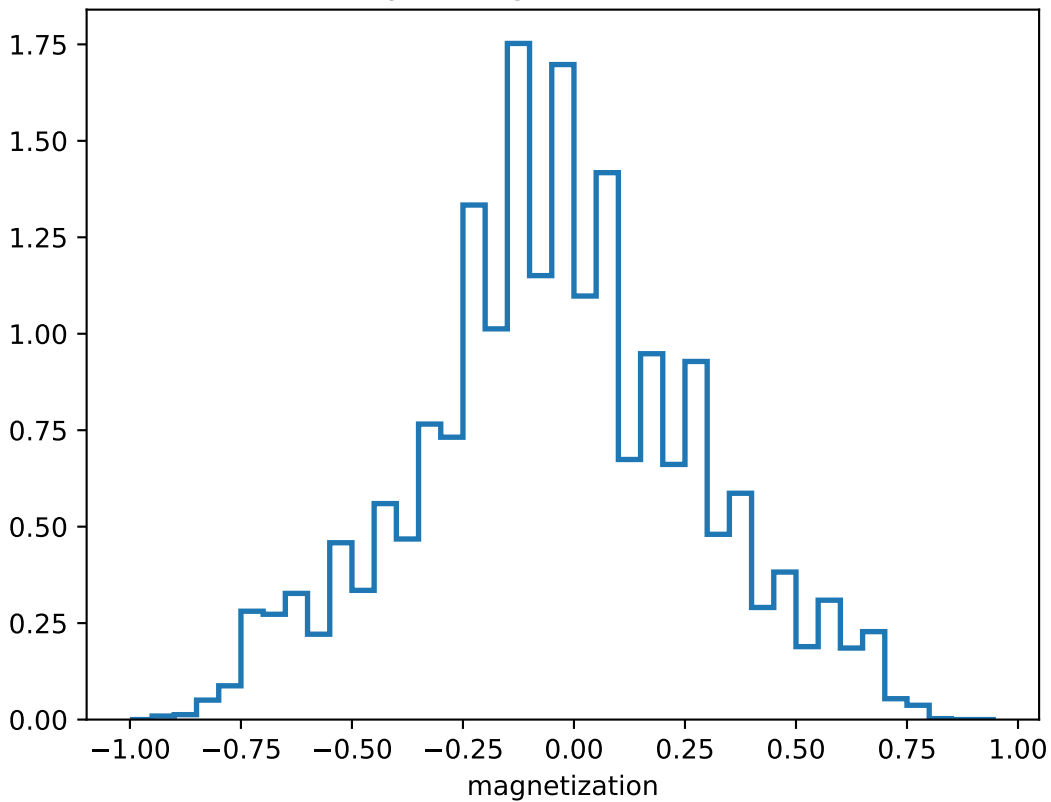

Probability of magnetization for  $T = 2.99$

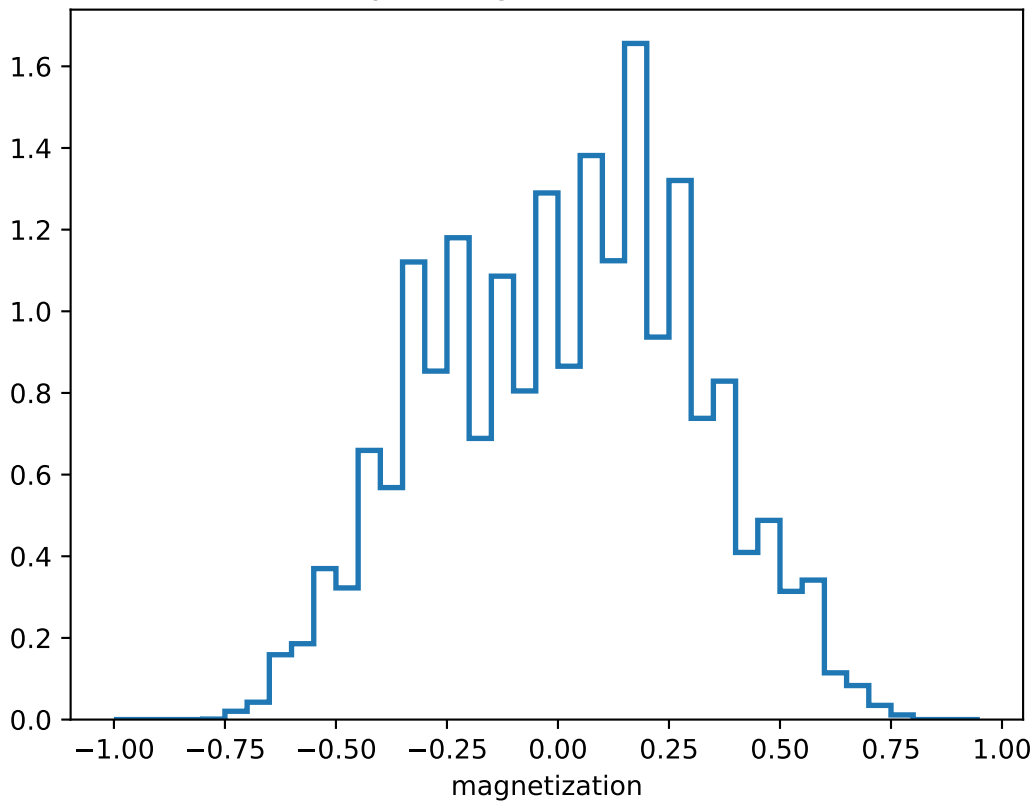

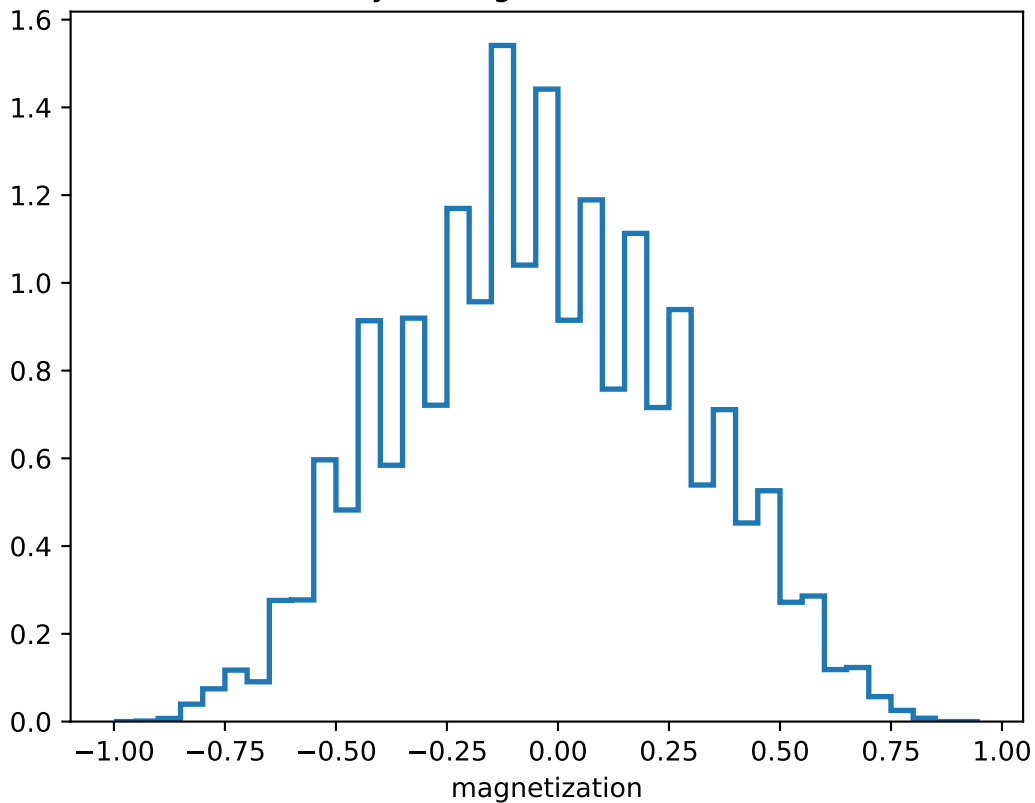

Probability of magnetization for  $T = 3.05$

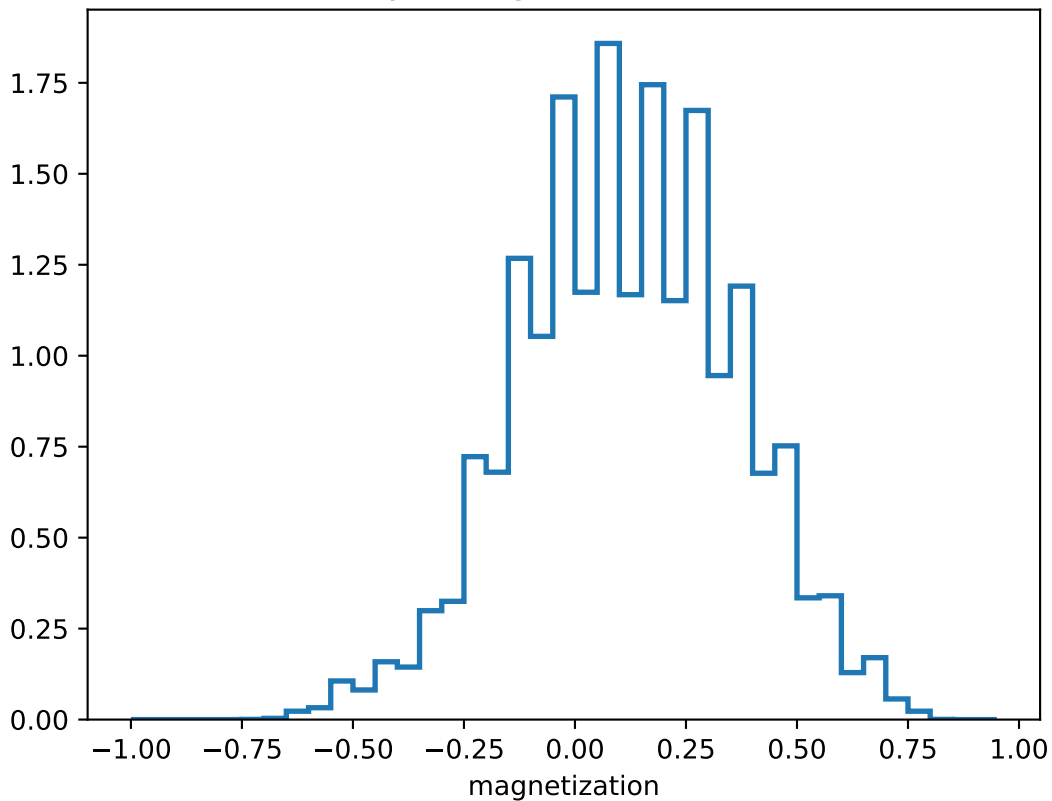

Probability of magnetization for  $T = 3.12$

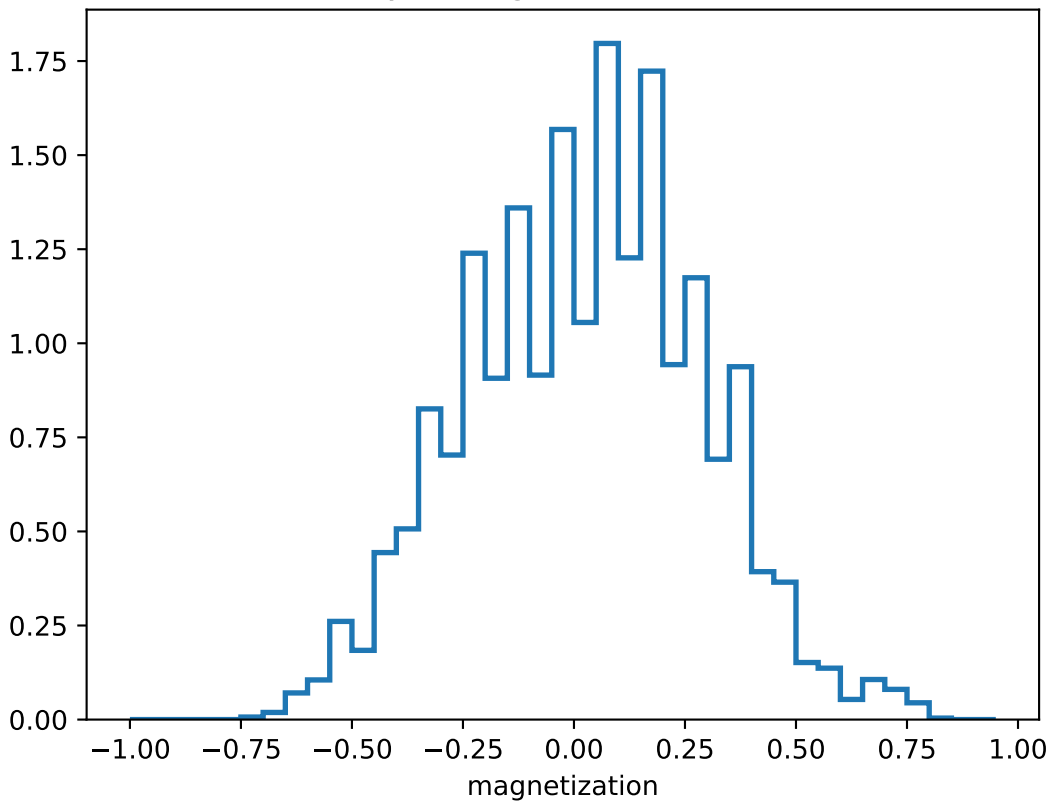

Probability of magnetization for  $T = 3.18$

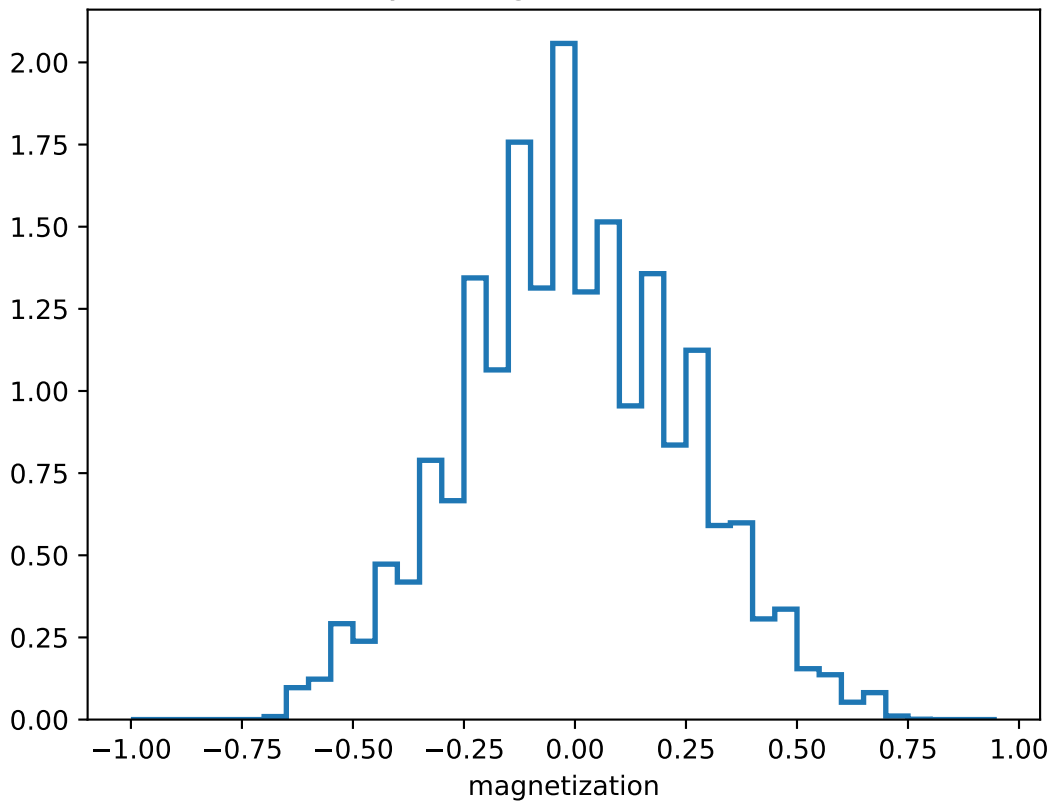

Probability of magnetization for  $T = 3.24$

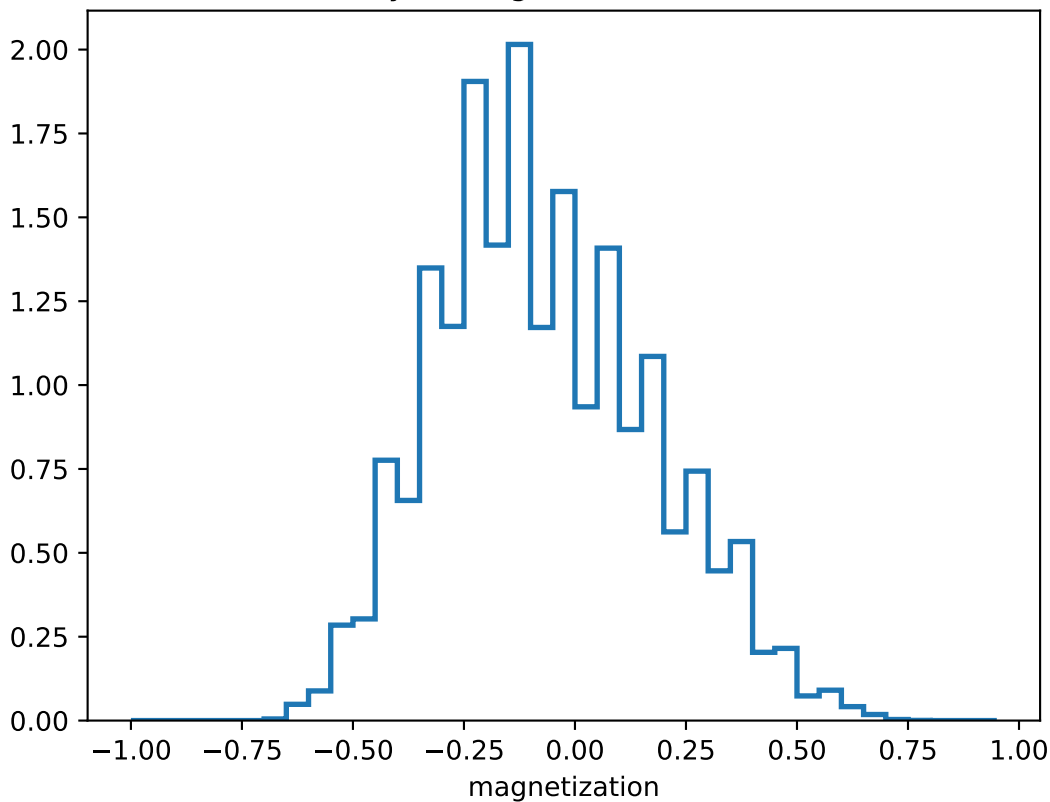

Probability of magnetization for  $T = 3.31$

Probability of magnetization for  $T = 3.37$

Probability of magnetization for  $T = 3.44$

Probability of magnetization for  $T = 3.50$
